

Art.-Nr. 51085

Maße/Dimensions:  
179 x 208 x 43 mm  
Gewicht/Weight:  
363 g  
Kabellänge/cable length:  
ca. 100 cm

## 2,4 GHz WLAN-Antenne WLAN antenna

für stabo multifon security und WLAN-Kameras  
for stabo multifon security and WLAN cameras

### Flächenantenne mit Kabel und Wandhalterung

- Erhöhung der Reichweite und Verbesserung der Signalübertragung
- Einfache Wand-Montage
- Für den Innen- und den wettergeschützten Aussenbereich

### Flat top antenna with cable and wall mounting bracket

- Increase of signal coverage and improvement of signal strength
- Easy to install (wall mount)
- For indoor and (protected from the weather) outdoor usage

### Technische Daten/technical data

Frequenzbereich/frequency range: 2,40 GHz - 2,48 GHz

Gewinn/gain 14 dBi

VSWR ≤ 1,5

Impedanz/impedance 50 Ohm

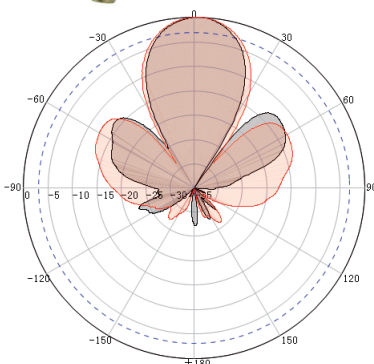

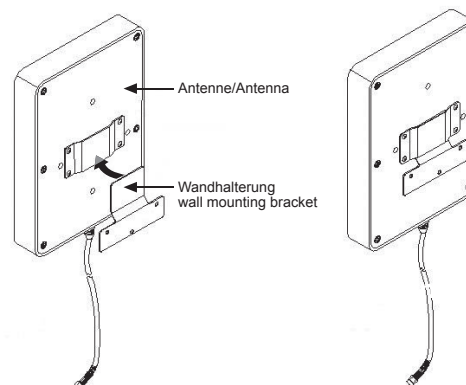

vertikale Polarisation/vertical polarization

max. Eingangsleistung/maximum input power 50 W

Anschlussstecker/connector type RP-SMA male

Arbeitstemperatur/operating temperature -20 - 50°C

### Montage/mounting
